Bonn Agreement's input

Role of the **Secretariat**

- ✓ Focal contact point for the Project Coordinator and the experts developing the Manual
- ✓ Coordination within the Bonn Agreement
- ✓ Participation in the Steering Committees and other key meetings:
 - 13th Meeting of Focal Points of REMPEC -June 2019 in Malta-
 - 27 Meeting of HELCOM Response Group -Feb 2020 in Denmark-
 - MEDEXPOL -Oct 2020 online-

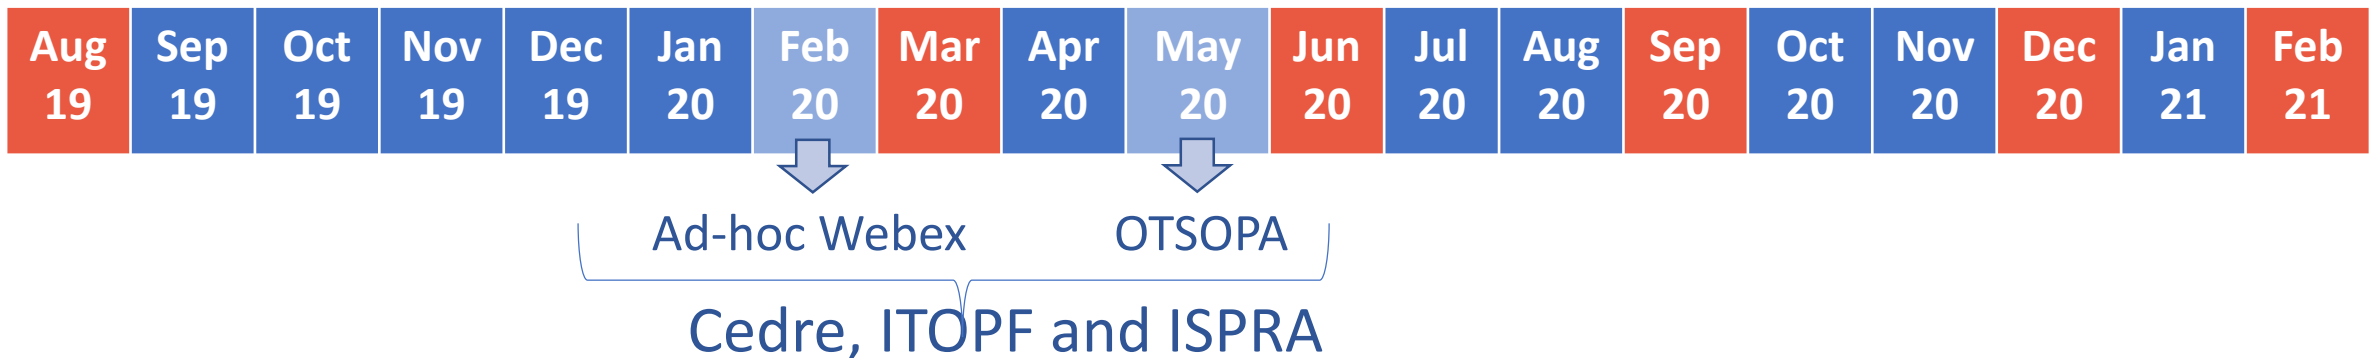

Bonn Agreement's input

1. Establishment of the **OTSOPA West MOPoCo CG** in July 2019 to provide feedback on the preparation of the Manual:

- ✓ Structure
- ✓ Content
- ✓ Layout
- ✓ Regional specifications
- ✓ Pictures
- ✓ Cases

BE, DK, (FR), DE, IE, NL, NO, ES, SE, UK

Next steps for the Bonn Agreement

1. The Joint Inter-regional Response Manual for HNS Spills will be adopted by Bonn by written procedure.
2. Publication of the Manual in the Bonn Agreement webpage, as a Chapter in the Counter Pollution Manual.
3. (future) Word version available for update if appropriate.

Great cooperation at regional level!!!
