## ISPRA in the West-M.O.Po.Co. Project

ISPRA contributes have been developed within different actions of the Project:

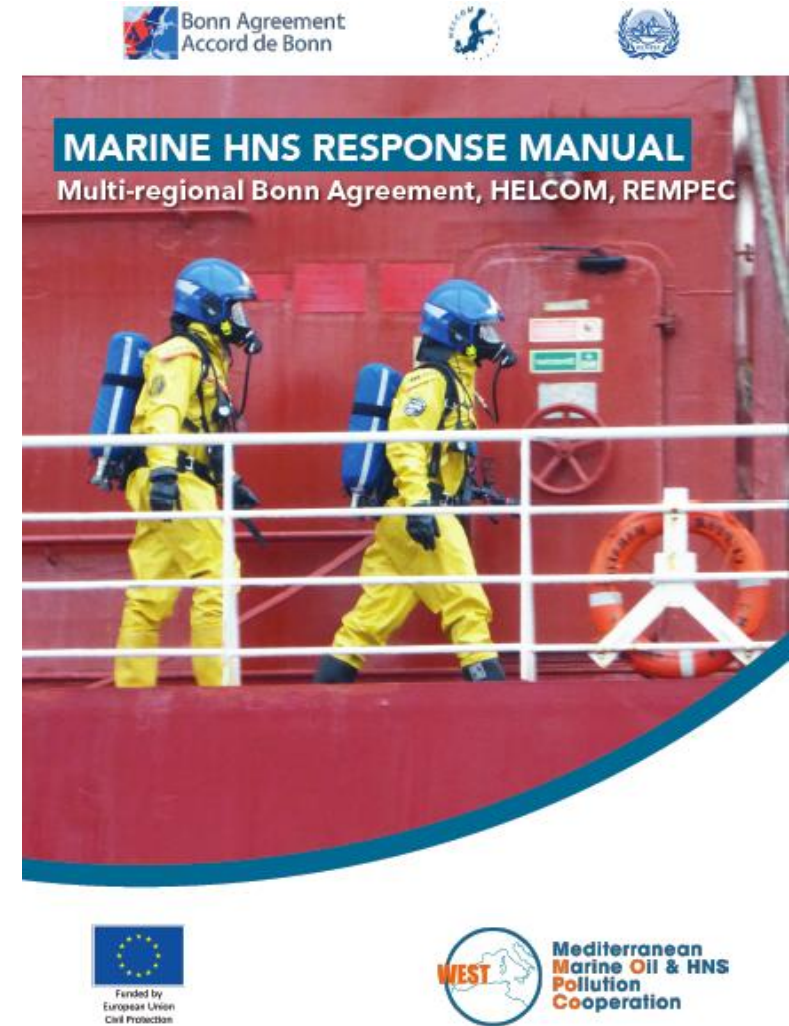

- preparedness and response to oil and Hazardous and Noxious Substances (HNS);
- improvement of quality and interoperability of response capacities.

Mediterranean  
Marine Oil & HNS  
Pollution  
Cooperation

# Marine HNS Response Manual

- ISPRA has co-authored with Cedre and ITOPF the Manual
- ISPRA has contributed, above all, on the basis of experience in the field with a specific attention to the protection of the marine environments

# Marine HNS Response Manual

Added values:

1) opportunity to collaborate and discuss with experts, highly qualified and professionals. First year face to face, unfortunately last year only through VDC

Mediterranean  
Marine Oil & HNS  
Pollution  
Cooperation

# Marine HNS Response Manual

Added values:

2) working methodology applied: through a continuous and constructive discussion also with Countries of the three Regional seas, has led to a product that can be applied on a wide scale

## WESTMOPOCO

Mediterranean Marine Oil & HNS Pollution Cooperation

**WEBINAR 22 giugno 2020 | ore 15:00 - 17:00**

**DIRETTA STREAMING YOUTUBE al link:**  
**[www.youtube.com/c/IspraVideoStreaming](https://www.youtube.com/c/IspraVideoStreaming)**

Saluti e benvenuto: Stefano **Laporta** - Presidente ISPRA e SNPA

**ISPRA a supporto del Ministero in tema di inquinamenti marini accidentali**

Diana **Aponte** (ISPRA) - Dirigente del Centro Nazionale per le Crisi, le Emergenze ambientali e danno

**Il progetto Western Mediterranean Region Marine Oil  
and HNS Pollution Cooperation (WESTMOPOCO)**

Ezio **Amato** (ISPRA) - Capo Area delle Emergenze ambientali in mare

**RETOS™ Readiness Evaluation Tool for Oil Spills: applicazione e risultati conseguiti  
con la sperimentazione di questo strumento di indagine e valutazione**

Paola **Renzi** (ISPRA) e Valerio **Sammarini** (ISPRA) - Area delle Emergenze ambientali in mare

**TAVOLA ROTONDA** | modera: Ezio **Amato** (ISPRA) - Capo Area delle Emergenze ambientali in mare

**Analisi dei gap e delle performance ed eventuali ambiti di miglioramento**

interverranno rappresentanti del Ministero dell'Ambiente e della Tutela del Territorio e del Mare  
e del Dipartimento della Protezione Civile.

Conclusioni: Alessandro **Bratti** - Direttore Generale ISPRA
